Morsel for Meditation

“Be that one. The one who forgives when a deep offense has been committed. The one who loves when no one else does. The one who gives kindness to those who are mean. Be the one who looks past an insult, instead seeing the pain that motivated it. Be the one who shines Light upon those who sit in the utter darkness. Because the impact of being that one runs far and wide. It brings healing to the wounded, joy to the sad, and hope to those in despair. Be that one.”

Stewardship Today

Today, Labor Day has come to represent the last three-day weekend of vacation, the end of summer, and the beginning of the school year. Originally, Labor Day was a day set aside to appreciate those whose hard physical labor made our nation strong. It was seen as a day of stewardship and an acknowledgement of the value of the use of our time, ability, and money. Our weekly offering comes from our labor. It is our way of acknowledging God, who gave us our stewardship over His creation.

Rector's Report

Greetings to the saints at St. Paul's,

I'll be taking a little down time in September, so this week's Rector's Update will cover a longer time window than normal. The big news is that we'll be resuming in-person worship on September 13! We'll have one service at 10:30. The rule from the Diocese is that if GISD is having in-person classes, then we may offer in-person worship. If GISD goes online only, so will we. When we resume, we'll handle in-person worship just like we did in June. Seating will be first come, first seated basis. We'll continue with our online streaming for the foreseeable future for those who aren't ready to return (and we'll continue to deliver remote Eucharist). The Bishop has encouraged that those 65 and over (and those with underlying health conditions) to continue watching the livestream, rather than attending the service in person. Here are some of the more obvious facets of our in-person worship:

- Masks worn by all at worship (except dogs). Please bring your own!
- Sanitizers located at the entrance and exit.
- Worshippers/households separated by 6 feet.
- No tactile passing of the Peace.
- The collection plate placed at the entrance to the Nave, rather than going hand to hand.
- Bread only communion distributed within Diocesan protocols.
- No usual coffee hour.
- Indoor services will not have congregational singing.
- Only one entrance will be used to ensure that we stay within lowered capacity requirements.
- When we go to multiple services, there will be a cleaning between services, including bathrooms.

On Sunday's, we'll have a 10:30 service only until we have at least 10 people who commit to attend an 8:00 service. Right now, the count of those who have let me know that they will attend the 8:00 Rite 1 service stands at 5 persons. Please let me know if you'll commit to attend!

There will be no Wednesday service on September 2, 9, and 16. On September 23rd we'll restart our Wednesday service as Morning Prayer at 10:30. We'll continue to do the service via Zoom until 5 persons will commit to regular physical attendance (or we restart in-person Children's Chapel). When the average attendance of the Wednesday service reaches 10, we'll change it to Holy Eucharist.

The last Friday morning Bible Study was on August 28th. We're discussing a better time/day, and hope to roll that out in September or October.

The Annual St. Francis Day Blessing of the Animals will be at 10:00 am on Saturday October 3rd in the Breezeway between the church and Clardy Hall.

Alpha starts on September 10th at 7:00 pm via Zoom! It will continue through November 19th. The Alpha program teaches the basics of Christianity in an environment that fosters conversations and relationships. If you'd like to research Alpha more, go to <https://www.alpha.org>.
