## ***Morsel for Meditation***

The duties and cares of the day crowd about us when we awake each day – if they have not already dispelled our night's rest. How can everything be accommodated in one day? When will I do this, when that? How will it all be accomplished? Thus agitated, we are tempted to run and rush. And so we must take the reins in hand and remind ourselves, "Let go of your plans. The first hour of your morning belongs to God. Tackle the day's work that he charges you with, and he will give you the power to accomplish it."
