Morsel for Meditation

Christ came into the world with the purpose of saving, not instructing it. At the same time – as is implied in his saving work – he came to be the pattern, to leave footprints for the person who would join him, who would become a follower. This is why Christ was born and lived and died in lowliness... What then, is the difference between an admirer and a follower? A follower is or strives to be what he admires. An admirer, however, keeps himself personally detached. He fails to see that what is admired involves a claim upon him, and thus he fails to be or strive to be what he admires.

Søren Kierkegaard

"You can't get much done in life if you only work on the days when you feel good."

Jerry West
