## Morsel for Meditation

"The Eucharist must invade my life. My life must become, as a result of the sacrament, an unlimited and endless contact with you— that life which seemed, a few moments ago, like a baptism with you in the waters of the world, now reveals itself to me as communion with you through the world. It is the sacrament of life. The sacrament of my life – of my life received, of my life lived, of my life surrendered..."

Pierre Teilhard de Chardin, *The Divine Milieu* (1957; New York: Harper Torchbook, 2001), 100.
