## **Morsel for Meditation**

To be a Christian now means to have the courage to preach the true teaching of Christ and not be afraid of it, not be silent out of fear and preach something easy that won't cause problems.

To be a Christian in this hour means to have the courage that the Holy Spirit gives in the sacrament of confirmation, to be valiant soldiers of Christ the King, to make his teaching prevail, to reach hearts and proclaim to them the courage that one must have to defend God's law.
